**WARNING: READ BEFORE USING YOUR PLAYSTATION®2  
COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

**HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

- You can store up to 20 GOD HAND™ saved games on one memory card.
- Do not remove the memory card or turn off the power while saving or loading game data. Doing so could damage your game data.

## god or demon?

In the days before time, an angel filled with pride fell from the heavens to a life in exile as the Demon King Angra.

Filled with spite and hatred, Angra spearheaded an army of demons and specters to overthrow the world of mortal men.

However, a man appeared with the power of god sealed in his arms, and used this power to once again send Angra into exile.

The people, grateful that the Angra's threat had subsided, bestowed upon the man the title of Godhand.

Legend states: "Although the man is long since gone, a single clan continues to this day to defend the Godhands, and the power held within.

"Those who possess this power are capable of becoming either god or demon."

# characters

## gene

This 23-year-old, dusty, "have fist will travel" rambler ends up stuck with one of the famed Godhands — with a bunch of nasty demons on his tail. Though outspoken and a constant complainer, he has a keen sense of justice. He likes to imagine he has a gentler, kinder side despite his rough, macho exterior.

## four devas

## belze

Cold as ice, the leader of the Four Devas is deeply loyal to Angra and very proud of his demon heritage.

## azell (devillhand)

Azell is mysterious and supremely confident, and his left arm is one of the fabled Godhands. Though human, he joins the demons in order to further his own ambitions.

## olivia

Nineteen years old, this beauty is a descendant of a family that protected the Godhands for centuries, until demons hunting for the arms wiped out most of the family. As the sole survivor, she fled with one of the Godhands, allowing fate to carry her to a small town where she crosses paths with Gene and entrusts the Godhand to him.

## little devil

A fairy sprite from the demon world, this little mischief maker approaches humans and invites them to play in little devilish games.

## elvis

Possessing amazing strength and a huge appetite, Elvis likes to chase the ladies when he's not kicking butt. Despite being a demon, he has acquired some nasty human habits. He's brutally honest and — surprise, surprise — something of a potty mouth.

## shannon

The life of the party, this ravishing hedonist hides cold, cruel instincts. In the pursuit of satisfying her own hunger for pleasure — no sacrifice is too much!
